

• Zinc Sulfate

• Tetrabasic Zinc Chloride (TBZC)

• Zinc Ammonium Chloride

沿海锌业东台市沿海锌业集团有限公司

COASTAL ZINC DONGTAI COASTAL ZINC INDUSTRY GROUP CO., LTD.

Specialized the Zinc Chemicals for Improving Your Organic Synthesis

- Zinc Chloride Anhydrous
- Zinc Chloride Solution
- Zinc Dust / Zinc Powder

ZINC CHLORIDE USP, EP GRADE

Zinc chloride as a catalyst for Friedel-Crafts reaction, Fischer Indole synthesis and Alkyd esterification, it has shown its superiority in green chemistry.

Zinc chloride is also used in water treatment, plating and industrial applications.
