

# Real Value To Life Through Science

**RV Group** Pharmaceuticals based out of Singapore is a dominant player in Asia with offices in **India, Vietnam, and the Philippines.**

SCAN ME

World Class Manufacturing Facilities

# OBJECTIVE

**RVLL (India)** is EU GMP approved manufacturing units of RV Group. At RVLL, we manufacture general oral solid dosage form i.e. Tablets and Capsules. RVLL has a dedicated EU approved manufacturing line for colored products with a focus on Rifaximin Tablets. We are open for new business opportunities for other colored line products.

**RV-OPV (Vietnam)** is EU-GMP Standard Unit. At RV-OPV; We have all three presentation in Capsules, Tablets and Sachets. RV-OPV has over 300 products in the therapeutic segments of GI, CV, Respiratory, Anti Infectionives and many more. We are looking forward to partner with manufacturing and/or distribution companies, who would bring our manufactured products to their countries of operations like in EU, Middle Eastern, African and Asian countries.

**RV Group (Philippines)** is engaged in sales, marketing and distribution of pharmaceuticals, medical devices, food supplements and cosmetics nationwide; we offer a strategic partnership for companies looking to enter or strengthen their presence in the Philippines market. Our extensive local knowledge, established network, and commitment to excellence make us an ideal partner. We invite manufacturers and distributors to collaborate with us and unlock new opportunities for growth in this dynamic market.

# RV Group

## TOP 10 PHARMACEUTICAL COMPANIES IN ASIA 2023

### Asia

# Business Outlook

recognizes

## RV Group

as one of

Asia  
**Business Outlook TOP 10**  
**PHARMACEUTICAL**  
**COMPANIES IN ASIA - 2023**

This certificate is awarded for the stellar performance in the industry. It works as a testament to the competence and application of industry standards & methods combined with a strive towards brilliance.

# Manufacturing Strengths

## Manufacturing

Tablets  
Capsules  
Colored line Products

### EXPERTISE:

- Manufacturing - Oral Solid Dosage (OSD)
- R&D Regulatory  
I. 50+ Dossiers  
II. 15+ Products with BE studies from Stringent Regulatory Approved (SRA) countries CROs with bioassays granted for other strengths. And further more BE studies have been planned
- Dedicated line from Dispensing to Coating for coloured products
- Bilayer Tablets Manufacturing
- Matrix based extended release formulations manufacturing
- Small Volume facility is available for clinical trial and registration batches

### Equipment & Capacity:

- Room temperature and 2-8 degree C storage in RM
- RMG - 100 L to 1200 L (Total 4)
- Blenders - 100 L to 4000 L
- Compression machines - both B tooling and D tooling
- Coaters - 48 and 60 inches diameter
- Strip packing, blister packing and bottle packing lines

## Quality

Wet Chemistry  
Instrumental Analysis  
Microbiology  
Stability- Acc., Zone II,  
Zone IV A&B

### EXPERTISE:

- 55 well qualified associates in QC and 28 in QA
- Well equipped quality controlled lab with biosafety cabinets, incubators, autoclaves, colony counters, microscope, HPLC, GC, KF, auto-titrators, etc.
- Quality Management System as per Eudralex/ ICH guidelines

### R&D & REGULATORY

- IH Formulation and Analytical Development. Team, open for contract development projects
- 50+ dossiers
- 15+ Products with BE studies from EU/ US standards. CROs with bioassays granted for other strengths

## Licenses

Compliant as per  
Indian FDA  
and other regulatory  
authorities

- Own Manufacturing
- Contract Manufacturing
- Trading
- Products Registered in Portugal, Malaysia, Vietnam, Thailand, Philippines, Myanmar, Uzbekistan, Tanzania, Morocco etc.
- Under registration in UK, South Africa, UAE, Saudi Arabia etc.

9	Sitagliptin With Metformin	50 mg + 850 mg, 50 mg + 1000 mg	XR Tablet	Anti Diabetic

# Manufacturing Strengths

## Manufacturing Lines

Solid – Liquid  
Creams and Ointments  
Nutraceutical  
Medical device

### EXPERTISE:

- Manufacturing - Oral Solid Dosage (OSD)
- Oral Liquids
- Creams & Ointments facility
- Nutraceutical Facility

### Dosage forms manufactured on this site

**Solid dosage forms** : Uncoated tablets, film-coated tablets, hard gelatin capsules, oral powder for reconstitution

**Oral Liquids** : Syrups, emulsions, suspensions,

**Creams and Ointments**: Gels, creams, ointments

**Food Supplement /Nutraceutical and Medical device products**  
– Syrups, solutions.

## Equipment & Capacity

17 HPLC, Gas Chromatography,  
Stability conditions from 40/75% to  
25/65% 4 Incubators,  
Spectrophotometry  
Dissolution Apparatus w/  
Auto Sampler

Capacity of 500 million. Tablets & Capsules /Annum

- Unit Dose Automatic Vertical Thermoform, Fill & Seal
- 2500 Liter Octagonal Bin Blender

Capacity increase in process to 1 Billion Units

Added 2500 lit Blender and 51 stations compression machine.

Batch size increased from 200-250 kg to 700-900 kg.

Add second granulation line RMG,FBD etc. – 1 billion tablets

### R&D & REGULATORY

Products with BE studies from stringent accredited CRO's

## Licenses

Compliant  
as per MOH

Trading License: Implement export rights, import rights, wholesale distribution rights (no wholesale establishment) and retail distribution rights of goods.

GDP to do wholesale local pharmaceutical trading for the products manufactured by OPV factory.

GSP to do import and export of API and finished products.

- CTD dossiers: **Sachet-Powder**, Tablets, Capsules
- Unique packaging: RTU Unidose packs
- Strong in R&D unique molecules
