CORMICA'S CORE CAPABILITIES

GMP | GLP | ISO 17025

ANALYTICAL CHEMISTRY

Caroline German - 18 years at Cormica Bradford

- GMP Release Testing Services
- Product Characterisation
- Occupational Hygiene Analysis
- Purity Profiling & 5 Batch Studies
- Extractables & Leachables
- Material Characterisation
- Stability Testing Services
- Physico-chemical Properties
- De-formulation

MICROBIOLOGY & STERILITY

- Sterility Testing
- Quality Control Release
- Bioburden Testing
- Method Suitability
- Microbial Identification - MALDI-TOF
- Bacterial Endotoxin Testing
- Cytotoxicity
- Environmental Monitoring
- Biological Indicator Enumeration

Tazmin Stock - 20 years at Cormica / Wickham Micro

PHYSICAL & FUNCTIONAL

Steven Malbon - 9 years at Cormica / MET

- Combination Device Testing
- Needle-based Injection System
- Device Verification & Validation
- Bespoke & Custom Testing
- Particulate Matter Contamination
- Packaging Validation & Testing
- ASTM D4169 Transit Testing
- ASTM F1980 Accelerated Ageing
- ISO 11607 Sterile Barrier Validation

Over 60 Years Experience of Testing from the UK, EU & USA
