

FLORA IB

REJOICE WITH GOOD GUT HEALTH

A multistrain probiotic supplement formulated especially to combat Irritable Bowel Syndrome (IBS).

Globally 1 in 10 people are affected with IBS.

FLORA IB is designed for the reduction of IBS by careful selection of seven well-documented lactobacillus, bifidobacteria and saccharomyces sp. These bacteria promote intestinal health and digestive comfort.

INDICATIONS & CAUSES

IBS is a common disorder that affects the large intestine. Symptoms include

- Changes in bowel habits that include diarrhea/constipation or both
- Abdominal bloating
