| • Methyl 2-Iodobenzoate | 610-97-9 | • Sodium Iodide Dichloride | 35703-63-0 |
| • Methyl 4-Iodo-3-Methylbenzoate | 5471-81-8 | • Sodium Metaperiodate | 7790-28-5 |
| • Methyl Iodide / Iodomethane | 74-88-4 | • Sodium Para Periodate | 13940-38-0 |
| • Methyl Magnesium Iodide 1M Solution in THF | 917-64-6 | • Tetrabutylammonium Iodide | 311-28-4 |
| • Methyl Magnesium Iodide Solution In Diethyl Ether | 917-64-6 | • Tetramethylene Diiodide | 628-21-7 |
| • Methylammonium Iodide | 14965-49-2 | • Thallium Iodide | 7790-30-9 |
| • Methylene Iodide | 75-11-6 | • Thymol Iodide | 522-22-7 |
| • Methyltriphenylphosphonium Iodide | 2065-66-9 | • Triiodomethane | 75-47-8 |
| • N-Iodosuccinimide | 516-12-1 | • Trimethylene Diiodide | 627-31-6 |
| • N-Propyl Iodide | 107-08-4 | • Trimethylsulfonium Iodide | 2181-42-2 |
| • Neopentyl Iodide | 15501-33-4 | • Trimethylsulfoxonium Iodide | 1774-47-6 |
| • Nickel Iodide Anhydrous | 13462-90-3 | • Zinc Iodide | 10139-47-6 |

All Products are available in packing of 1 Kg / 2 Kg / 5 Kg / 25 Kg / 50 Kg or as per your requirements

NOTE: Packing can be customized as per customer requirement. • Export worthy packing may vary according to regulatory requirements. Custom Synthesis projects, we accept on regular basis. • Feel free to explore possibilities of new / custom synthesis products too.

CREDENTIAL

With over a decade's experience in the Chemical Industry, Infinium Pharmachem Pvt. Ltd. has emerged as the manufacturer & exporter of Iodine derivatives and its allied products.

Headquartered in Gujarat, India, Infinium Pharmachem Pvt. Ltd. today is an innovation led company producing a wide range of quality, affordable Iodine derivatives for the developed and developing markets of the world.

Since 2003, Infinium Pharmachem Pvt. Ltd. has been establishing and maintaining long-term relationships with leading customers in Pharma Intermediates, Agro Intermediates and Dyes Intermediates.

Infinium Pharmachem Pvt. Ltd. is a dedicated ISO 9001:2015 & ISO 14001:2015. Company. Adherence to quality management practices and total customer satisfaction are the company's prime objectives. We continuously upgrade our product to meet the new challenges in the modern Hi-tech world.

We have been aggressively expanding into international markets. And with growing sales in each continent it is our aspiration to establish Infinium as a leading chemical brand, worldwide. We serve globally and thus our clientele involve customers from all parts of the world. The finished products produced by the Company are used in various industries like Pharmaceuticals, Chemicals, Food, Fertilizer, Salt etc.

We strongly adhere to the principles of hard work, reliability, efficiency and morality. This approach has enabled us to incorporate goodwill amongst all our audience, be it clients, consumers, suppliers, or our very own employees.

AIM

Our Mission is to strive through an ever improving process to become a globally recognized and accepted as various iodine derivatives manufacturing Company. Infinium Pharmachem is dedicated to enhance value in the chemical reactions adopted by Pharmaceuticals, Bulk drugs, Specialty chemicals, Lab Reagent, Laboratory chemicals, Fine chemical manufacturers and suppliers by successfully meeting the stringent requirements of continuous value added raw materials, intermediates and finished products.

Infinium Pharma will continue to add to its infrastructure and manpower, the necessary talent and equipment to stay ahead as customer satisfier.

ETHOS

To deliver customer solutions developed by dedicated associates with a passion and reputation for making a difference. By taking our customers' needs and goals to heart, we don't just sell them products – We create ways to make them stronger. It's inside everything we do.

CUSTOMER COMMITMENT

We continuously endeavor to improve the efficiency and to exceed the expectations of our customers and are solely focused on their success.

DEDICATION TOWARDS EXCELLENCY

Excellence is a synergy of technology, quality and service. At Infinium, right from our inception, we have worked towards enhancing all the three.

INTEGRITY

We value honesty, "do the right thing" in our behavior and deliver on our promises

TEAMWORK

We will work together as a globally integrated whole and expect cooperation and open communication between all associates.

ENTREPRENEURSHIP

We encourage new ideas and innovative thinking in the pursuit of constructive change.

"Our aspiration is to become a transnational company, to be counted as the darling of top most MNC's & leading domestic pharmaceuticals in the world. Going forward, we have to consistently set ourselves standards and benchmarks that will be world-class but uniquely Infinium"
