AVIXA
PHARMACEUTICALS

About us

“ Avixa is a member of group companies dates back to 1981 with the establishment of Avkan Pharmacy and a chemical raw material production facility in Gaziantep. After the second generation moving to Istanbul, it has grown steadily with the pharmaceutical wholesaler, the pharmaceutical company and the R&D facility. Following the establishment of a sound market share in the TR market, the group is now expanding in the global markets. ”
