# KNOW ABOUT PSYLLIUM

Psyllium is a fiber made from the husks of the Plantago Ovata plant's seeds. Psyllium is a natural plant based fiber. Psyllium husk has been used in the ancient traditional medicine of Ayurveda to promote the body's overall health and well-being. Psyllium is known as one of the most effective DIETARY fibers for maintaining regular digestive health.

NON - GMO

GLUTEN FREE

VEGAN SUITABLE

SUGAR FREE

## Psyllium values in our day-to-day life \*

- Promotes digestive health and maintain regularity.
- Helps maintain healthy blood sugar levels as part of your diet.
- Helps to reduce lowering blood cholesterol levels.
- Healthy Weight Management.
- Promotes natural bowel movements.
- Helps to meet daily fiber recommendations.
- It Can Help Build Immunity.

"Along with the Dietary supplements, we always recommend that physical exercise is of immense help in maintaining good health and Wellness. Physical exercise is widely recognized as the best way to keep the body healthy and active. Therefore, we should take it regularly. It is necessary to keep us fit and healthy."
