# Our Promise

## The DAU Foundation

Since 1992, the Dau Foundation has aimed to improve the quality of life and autonomy of people with mental health problems through their incorporation into a quality decently-paid job.

Laboratori DAU forms an essential part of the Foundation's strategy as a socially committed company, with a clear wish to transform and with the challenge of guaranteeing equal opportunities at work for vulnerable groups.

## Environmental awareness

We contribute to environmental sustainability through moderate consumption, understood as sufficiency, in order to **achieve true reductions in the environmental impacts we generate.**
