

HEALTH SOLUTION THROUGH NUTRITION

ABOUT COMPANY

WHO WE ARE

U Liva Nutrition LLP was established by thought of “Supporting healthy living globally”. We are young, qualified, enthusiastic and passionate team with one commitment to make this world healthier.

WHAT WE DO

At U Liva Nutrition, we take pride to discover, develop and manufacture trustworthy nutritional supplement products based on the latest scientific research studies in GMP affirmed plant. Products are developed using scientifically validated ingredients and scientifically supported dose. The company has a broad portfolio of herbal supplements and food supplement products.

WHY U-Liva ?

Because of Our Ingredients, Our commitment for quality products and Our packaging.

- We procure all our natural ingredients and nutritional raw materials from world's top ingredient suppliers.
- Our testing is the difference, we have adopted some of the rigorous safety tests approved and practiced by US FDA and European Medical Agency (EMA), thus bringing in the testing standards recognized globally.
- One of the key features of nutritional supplements is packaging. Supplement packaging must not only be good-looking, but it must also maintain and protect the product, efficacy & safety, even during transportation and storage of the products. Our products are packaged in USFDA, DMF certified packaging materials.

✓ QUALITY YOU CAN TRUST

chlorella powder	500 mg

OUR MANUFACTURING FACILITY & CAPACITY

U-liva nutrition LLP established in the year 2016, having a world-class manufacturing facility for nutraceutical & herbal supplementary finish products. The facility is spread across 20,000 sq. Feet area, located at Rajkot, Gujarat, India.

- ◆ Capsules : 1 million capsules per shift
- ◆ Tablets: 1 million tablets per shift
- ◆ Powder sachet: 0.2 million sachets per shift
- ◆ Syrup: 10,000 liters of syrup per shift

CONTRACT MANUFACTURING

QUALITY YOU CAN TRUST.

At U-Liva Nutrition's we ensure the quality of all of our premium nutritional products, every step of the way. Strict quality analysis at our world-class facilities guarantees that all vitamins world products are at the highest standard of potency and purity.

WHY CONTRACT MANUFACTURING FROM U-LIVA?

You can hand over the responsibility of developing a safe effective formulation to our dedicated F & D team.

We will ensure compliance with necessary regulations and cGMP standards.

You save huge costs of formulation and product development.

You save investment in terms of research & development, packaging development, quality control and assurance etc.

You can start small with reasonable MOQs in standard packaging.

We use only the highest quality ingredients in all of our supplement formulations.
