

At **SOMAI Pharmaceuticals** we are a leading **EU-GMP European pharmaceutical** and biotech company with a global footprint of distribution for the largest and **most advanced EU GMP-certified cannabinoid-containing pharmaceuticals portfolio**.

we
craft
care

Innovation

Crafting cutting-edge medicinal solutions to meet the diverse needs of patients.

Knowledge

A team of healthcare and science experts from all over the world. **With a team of over 100 professionals, we brought US and European know-how together to create the best products.**

Compassion

Understanding patient needs and designing a diverse portfolio to address those needs. **We are expanding our technology to build a more diverse and tailored portfolio.**

Quality Consistency

We control every step of the manufacturing process to ensure quality and consistency. **We create improved tasting products with stable cannabinoid profiles across different batches.**

The logo features the word "SOMAI" in a large, white, sans-serif font, with "PHARMACEUTICALS" in a smaller, white, sans-serif font directly below it. The text is set against a dark blue, abstract, organic shape that has a light blue, textured, brushstroke-like effect on its right side.

SOMAI
PHARMACEUTICALS

SOMAI Pharmaceuticals Manufactures a Broad and Innovative Portfolio to Meet Different Patient Needs
