## ABOUT US

Scott-Edil group is dedicated to quality healthcare since the last two decades. We have four world class manufacturing facilities that are designed to maximize productivity for us and quality for you.

We are currently approved in more than sixty countries and are continuously expanding. We produce a variety of dosage forms including dry powder injections, liquid injections, eye/ear drops, tablets, capsules, oral liquids, dry syrups, external preparations and sachets.

We have dedicated facilities for cephalosporins and penicillins. We are WHO-GMP, ISO 9001:2008 certified. We offer more than 700 products across various therapeutic segments including antibiotics, analgesics, anti-hypertensives, anti-diabetics and vitamin supplements.
