

**Mission:**  
***REDUCING THE BURDEN  
OF HEALTHCARE***

**WELCOME**

***CO-DEVELOPMENT***

***DEVELOPMENT PARTNER FOR***  
**GENERICS | COMPLEX GENERICS | iNNOVATIVE FORMULATIONS**

***REDUCING THE BURDEN OF HEALTHCARE***

***Mission***

***Reducing The Burden Of Healthcare***

***Around the world through  
exceptional partnership***

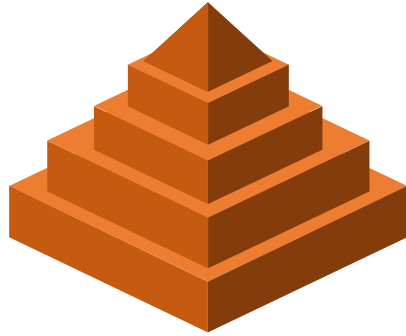

***Vision***

***To become the most valued  
healthcare partner***

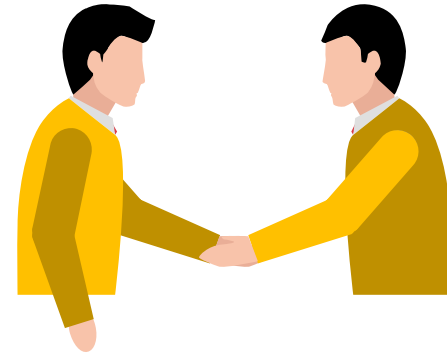

***Through innovation and firm  
delivery commitment***

***REDUCING THE BURDEN OF HEALTHCARE***

***We Take Considerable Pride***

***In our approach to build and meet  
Quality in Development and  
Analysis of formulations.***

***We Assure***

***To follow  
Current Good Manufacturing  
Practices, during Product  
Development***

***REDUCING THE BURDEN OF HEALTHCARE***

# *Our Values For Sustainable Growth*

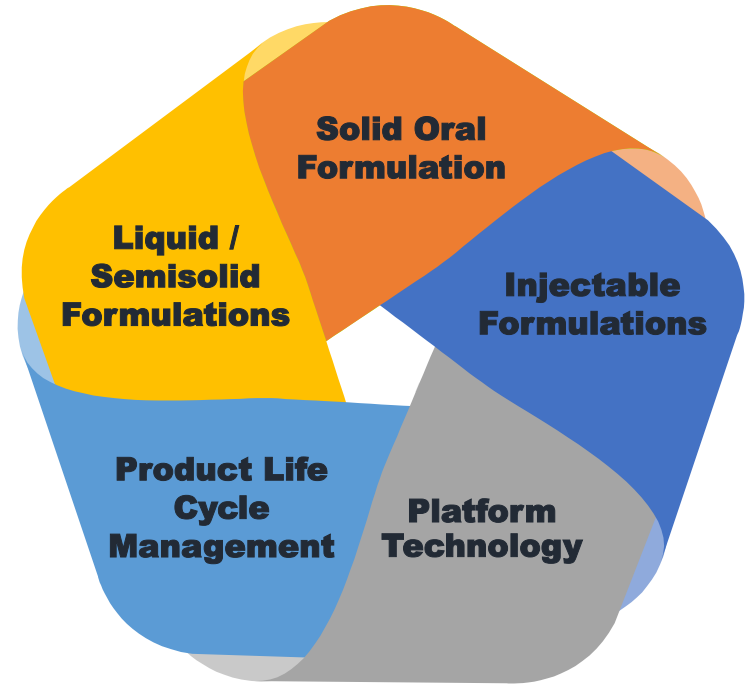

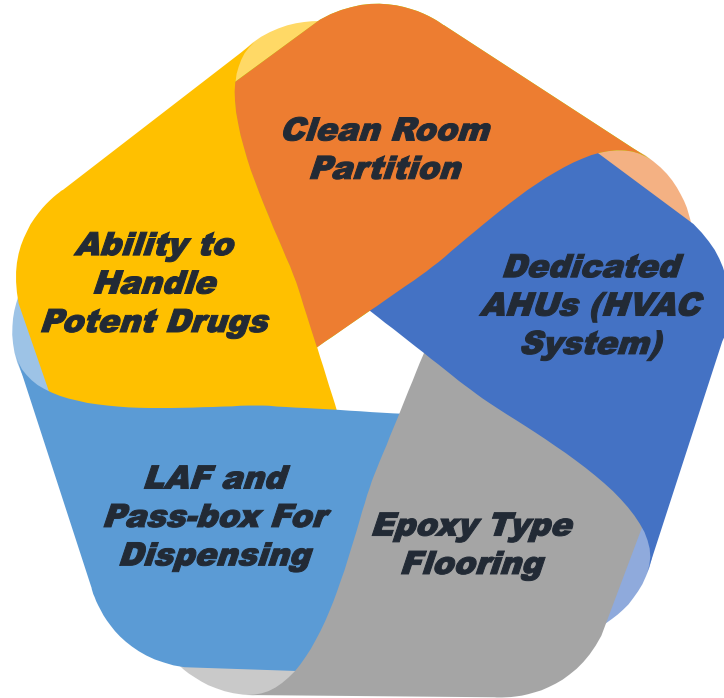

***REDUCING THE BURDEN OF HEALTHCARE***

**DEVELOPMENT PARTNER  
FOR  
GENERIC AND COMPLEX GENERIC  
PRODUCTS**

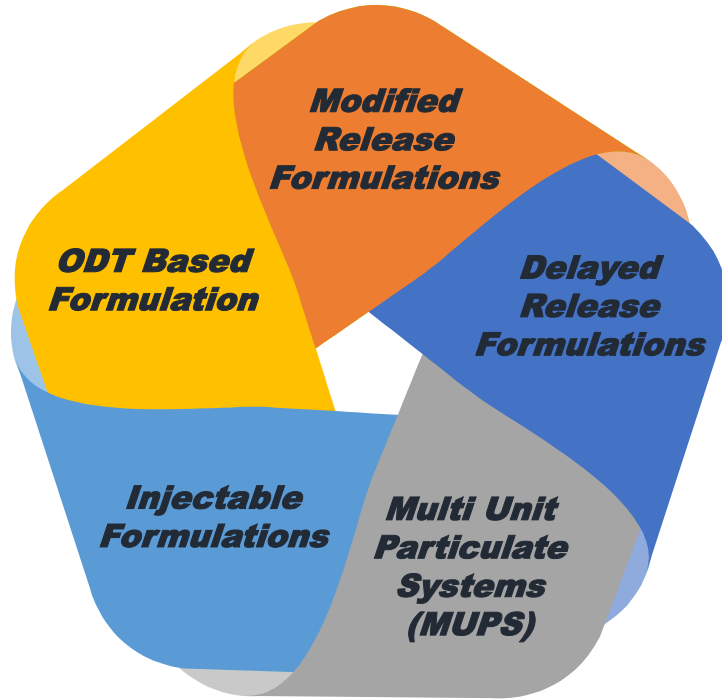

**REDUCING THE BURDEN OF HEALTHCARE**

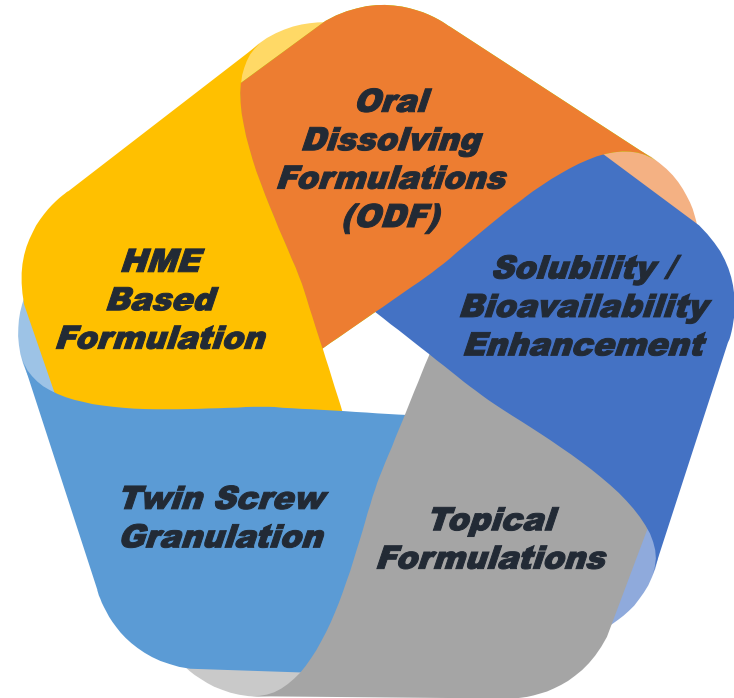

***REDUCING THE BURDEN OF HEALTHCARE***

## ***Differentiated Formulations***

## ***Innovative Technologies***

**Matrix Formulation  
Against  
OROS Based Formulation**

**Solvent Free Formulation  
and  
Solvent Free Process**

**Core Expertise**

**Direct Compression  
Formulation and Process**

**Making unit dose Formulation  
Reducing Pill Burden (Small Size)**

***REDUCING THE BURDEN OF HEALTHCARE***

*We Provide Formulation  
Support  
With Facility For Development*

High Shear Mixer  
2/5/10 Ltr

Fluid Bed  
Processor

Auto Coater

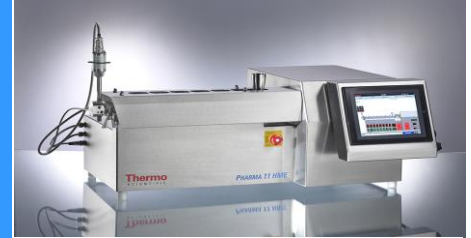

B and D Tooling

***REDUCING THE BURDEN OF HEALTHCARE***

***We Offer Services for Product  
Development Using  
Innovative And Best In class Instruments***

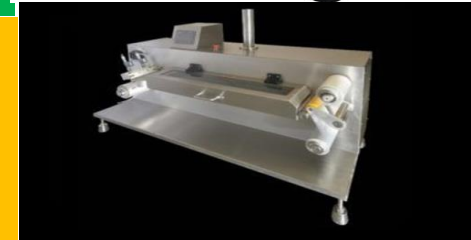

***Thermofisher  
Pharma 11 –  
HME with Twin  
Screw  
Granulation  
(Multi Die)***

***Oral Dissolving  
Film Formation  
Using Casting  
Method and HME  
WE OFFER  
SOLVENT FREE  
PROCESS***

***Oral Films  
and  
Transdermal  
Patch and  
Creams***

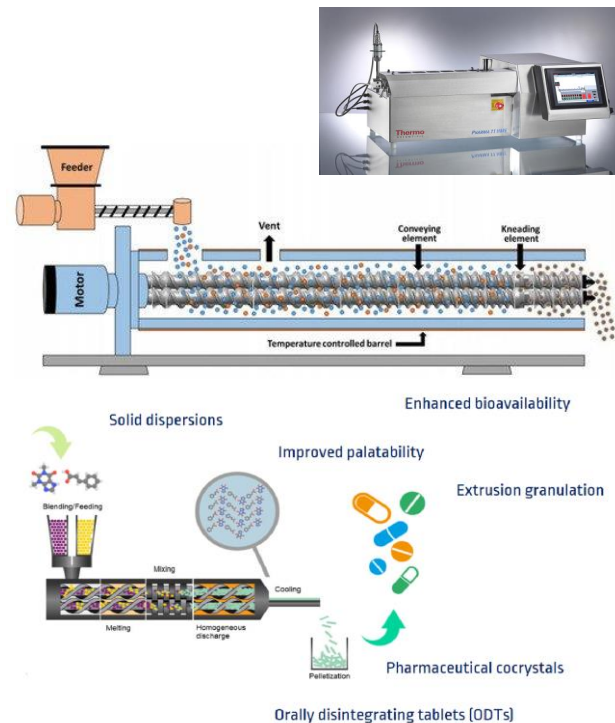

***REDUCING THE BURDEN OF HEALTHCARE***

**We Offer Services**  
**Hot Melt Extrusion**  
**Twin Screw Granulation**  
**Using Pharma 11 (Thermofisher)**

**Bring your Product Idea and Together with our Technical Team WE CAN DEVELOP**

- **Solvent Free Formulations**
- **Continuous Manufacturing Process**
- **Idea to Commercialization (I2C)**
- **Patent non-infringing Process**

**Even we encourage your technical team to use Pharma 11 and develop formulation.**

**We Offer Services for Potent Molecules**

**REDUCING THE BURDEN OF HEALTHCARE**

***We Help for  
Analytical Method Development  
with Accuracy and Precision***

***Dissolution  
Apparatus –***

***Auto Sampler***

***High  
Performance  
Liquid  
Chromatography  
UV/PDA***

***Micro Balance  
and Other  
Analytical  
Instrument***

***REDUCING THE BURDEN OF HEALTHCARE***

***We provide - Analytical Method  
Validation Services For  
Assay, Dissolution, Related Substances***

**Under Strict  
Quality  
Assurance  
Monitoring**

***Dissolution Apparatus***

***HPLC \_ UV / PDA***

***REDUCING THE BURDEN OF HEALTHCARE***

**We Assure – Stable Formulation**  
With  
**Accelerated Condition, Zone IV B , Real Time  
Stability along with Cold Storage**

**Stability Chamber  
complying 21 CFR**

**40 °C / 75%**

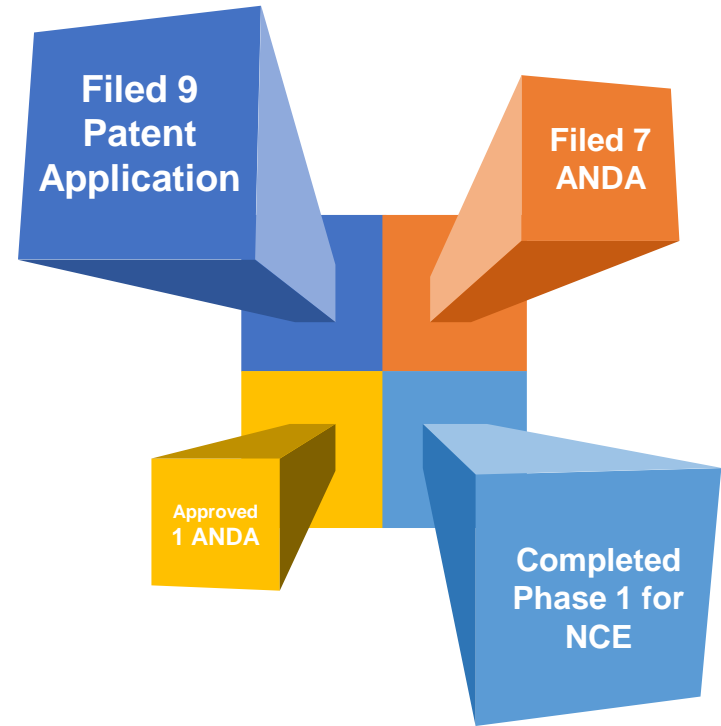

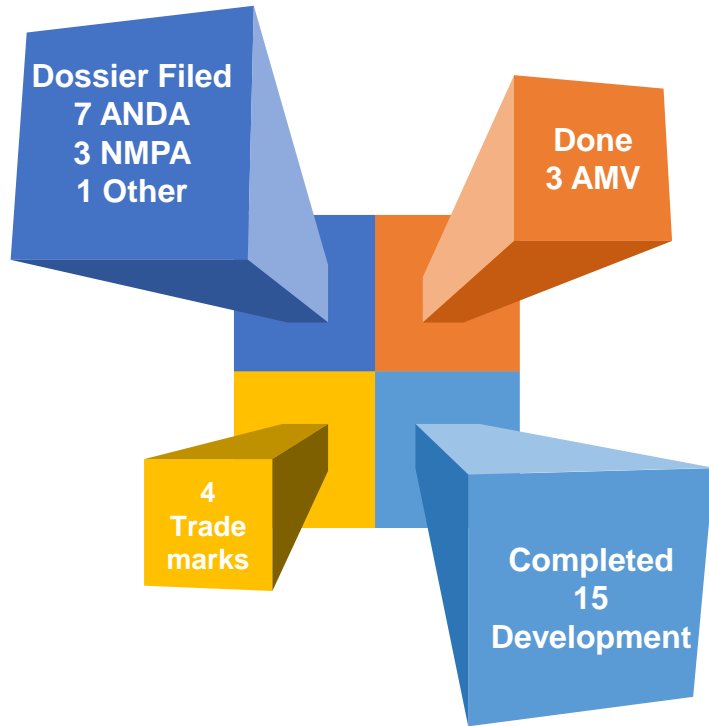

**30 °C / 75%**

**25 °C / 60%**

**1000 Ltr Capacity  
Dual Compressor , Zero Breakdown**

**REDUCING THE BURDEN OF HEALTHCARE**

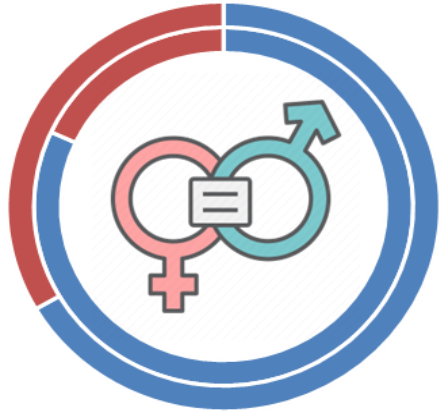

# OUR Achievement

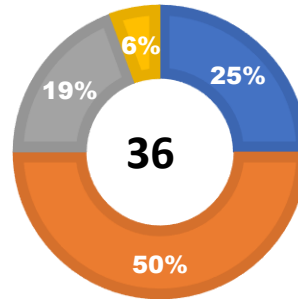

**REDUCING THE BURDEN OF HEALTHCARE**

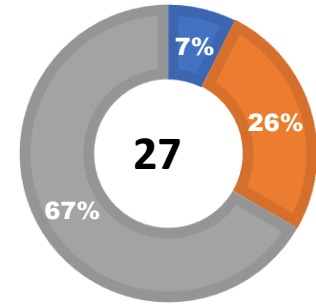

# OUR Strength – Gender Equality

# Exploring Co-development Opportunity

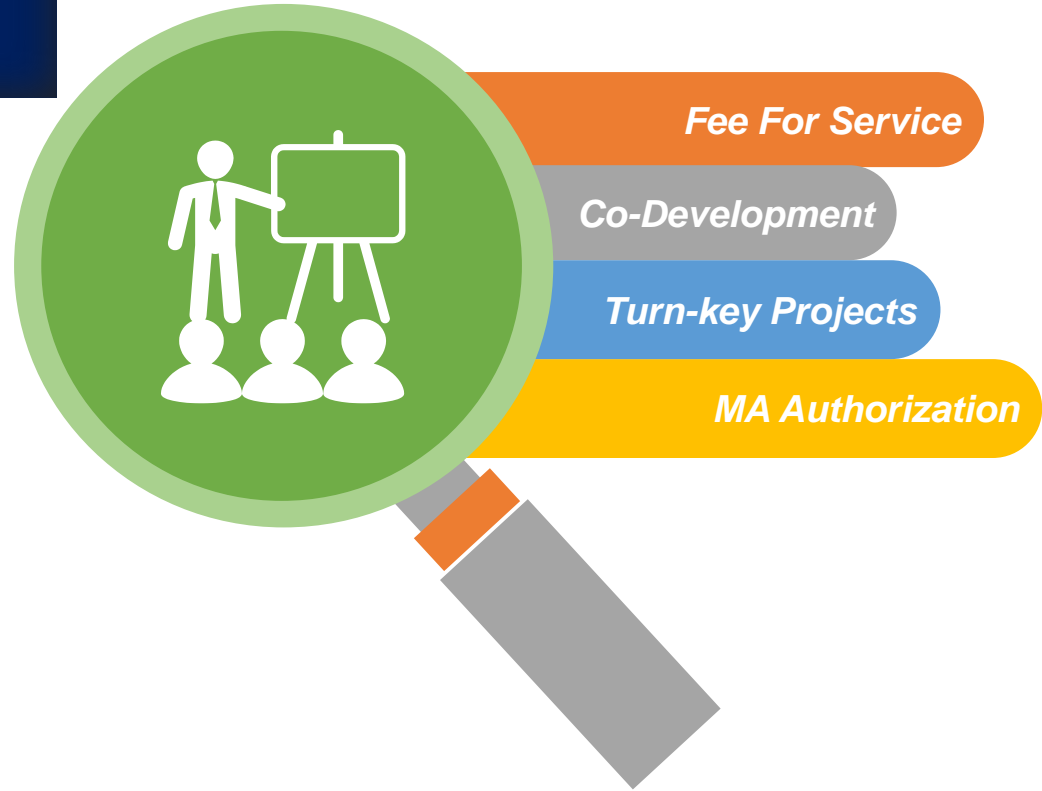

**REDUCING THE BURDEN OF HEALTHCARE**

# *Together Possibilities .....*

***REDUCING THE BURDEN OF HEALTHCARE***

***Our Preferred Business Model  
Can be Any of***

# *We Are Flexible*

## *Fee For Service*

Simple and Complex Generics

Oral Solid Formulations

Injectable Formulations

## *Co - Development*

505(b)2 Formulations

Super generics to Complex Generics

Association with API and CMO on Profit Sharing Model

## *End To End Services*

We Can be end to end Development Partner

Client Can Be MA holder

Profit Sharing Model

# Our IP Achievement

SN	Patent Mode	Application No	Country	Title
1	National	201921026903	India	Pharmaceutical compositions of <i>Boswellia serrata</i>
	Overseas	PCT/IN2020/050586	India	
2	National	201921035140	India	Liquid pharmaceutical compositions of <b>melatonin</b> for oral and parenteral administration
	Overseas	PCT/IN2020/050759	India	
	National	AU2020339867	Australia	
	National	EP20859314.5	Europe	
3	National	202121039080	India	Oral Pharmaceutical Compositions of Methylnaltrexone and Salt Thereof
	Overseas	PCT/IN2022/050765	India	
4	National	202121061623	India	High Dose Pharmaceutical Composition Containing Dexamethasone and Its Salt
	Overseas	PCT/IN2022/051144	India	
5	National	202321040144	India	Extended-Release compositions of Tofacitinib
6	National	202221060603	India	Solvent Free Solid Oral Composition of BCS Class IV drugs
	Overseas	PCT/IN2023/051026	India	
7	National	202321053226	India	Free Flowing Topical Formulation
