

## Global Footprint Network

### KIMIA BIOSCIENCES LIMITED

#### Reg. Office, Manufacturing & R&D 1 :

Village Bhondsi, Sohna Road,  
Damdama Lake Road,  
Gurugram, Haryana-122102.  
T: +91 9654206544 | +91 9654746544

#### R&D 2 :

Plot no 42, Tech Park, IDA Nacharam,  
Uppal mandal, Medchal, Malkajgiri,  
Hyderabad-500076.

#### Corporate Office :

974, Aggarwal Millenium Tower-II,  
Netaji Subhash Place, Pitampura, Delhi-110034.  
T: +91 11 4706 3600.

#### Branch Office (Mumbai) :

512, 5th Floor,  
Palm Spring Centre Premises Co-op Society Ltd.,  
Above Decathlon, Malad, West Mumbai,  
Maharashtra, Pin - 400064

#### USFDA Approved Site Address :

Plot No.25 & 25A J.N. Pharma City,  
Parawada (M), Visakhapatnam,  
Andhra Pradesh - 531021, India.

### Why partner with Kimia?

- With the best-in-class manufacturing facilities with accreditation and state-of-the-art research platform, besides brilliant minds in our R&D, we have embarked on establishing contract manufacturing organization
- We have many on-going contract manufacturing projects that involve complex chemistry and technological excellence
- We provide best quality API in market with customer satisfaction results
- An ideal partner in developing Pharma Products with added value
- Kimia is engaged in Custom Synthesis (contract manufacturing services) of APIs and Intermediates for global companies with a vast portfolio of products across diverse therapeutic areas
- Providing best quality with competitive price in the market.

CRAFTING THE  
STORY OF HUMAN  
WELL BEING WITH  
CHEMICAL  
INNOVATION

USFDA & CGMP  
MANUFACTURING FACILITIES

**Kimia Biosciences Limited**, is a leading & Fast-growing Pharmaceutical company in India. Kimia developed Many innovative Processes for APIs and filed more than 12 patents as well as Launched Many APIs first time in India.

#### R&D

World Class Process R&D centres at Multiple Locations and Supported by Analytical R&D with Strong IP Team. A Team of Around 80+ Scientists, 15+PhDs with good infrastructure.

#### Kilo Lab

Kilo Lab for commercial deliveries and scale up activities. Can deliver up to 10 kgs from Kilo lab.

#### Manufacturing Facilities (Two Units)

##### Unit One: Gurugram, Haryana (WHO GMP approved)

(Many DMFs filled, Audited and approved Many Indian & International companies)

- 140+ KL Reaction Volume
- Three Production Modules of Various capacities of GLRs, SSRs with all accessory production equipment's.
- Four Powder processing areas with Class 100,000
- Temperature Handling from -80°C to +200°C to +200 °C

##### Unit Two: Parawad, Vizag, A.P (US FDA APPROVED)

- US FDA Approved & EDQM Approved Mfg. Facility
- Huge Mfg. Capacities- Two Production Blocks.

**(Huge Customer Base across the World)**

## Kimia offers

#### • APIs / KSMs from Mfg. Facilities (USFDA Approved & WHO GMP Approved)

##### Process development for API's

- Innovative / Cost effective routes / Novel routes
- Different Polymorphs / Diff salts etc. depends on customer requirements
- Wide range of high purity KSMs / Intermediates
- Comprehensive offer to Customers with Innovative Process, including Analytical Method Development and Preparation of Impurities
- Strong Intellectual Property Rights Support with in-house IP team

#### CDMO

- Contract Process Development, Manufacture with Regulatory Compliances
- Product Supply with required Compliances
- Documentation support: Development report, & Tech Transfer Documents/DMFs

Approved by Department of Scientific & Industrial Research and follows WHO guidelines for GMP

Approved by WHO-GMP certification and also have WC and COPP

ISO Certified –9001.2015

ISO Certified –14001.2015

ISO Certified –45001.2018

#### ESG & Sustainability

Kimia Biosciences Limited has increasingly prioritized Environmental, Social, and Governance (ESG) factors and sustainability. With rising expectations from regulators, investors, and consumers, API manufacturers are finding that integrating ESG principles into their operations not only enhances corporate reputation but also drives long-term profitability and resilience.

- Environment Factor - Energy Efficiency and Renewable Energy, Waste Management, Water Stewardship

Approved by PIC/S (Korea) certification

Approved by KFDA certification

Approved by EHS certification

Approved by OHSAS certification

## Business Verticals

- CDMO
- KSM/ Intermediates
- API

- Social Responsibility - Workplace Safety and Health, Employee Welfare and Diversity
- Governance and Ethical Business Practices - Regulatory Compliance, Sustainable Supply Chain, Ethical R&D and Innovation

Kimia is increasingly adopting long-term sustainability initiatives aimed at improving environmental and social outcomes while driving financial performance. As well adopting Green Chemistry Practices, Sustainable Packaging and Sustainable Product Development.

## API Products (Commercials)

Product Name	Therapeutic Category	Status
Acotiamide Hydrochloride Hydrate	Gastrointestinal Agent	Commercial
Apixaban	Anti-Coagulant	Commercial
Azelnidipine	Anti-Hypertensive	Commercial
Bempedoic Acid	Lipid Lowering agent	Commercial
Benfotiamine	Vitamin B1	Commercial
Benidipine Hydrochloride	Anti-Hypertensive	Commercial
Bilastine	Anti-Histaminic	Commercial
Bisbentiamine	Thiamine supplement	Commercial
Brivaracetam	Anti-Convulsant	Commercial
Citicoline Sodium	Central Stimulant	Commercial
Clascoterone	Anti-Acne	Commercial
Dapagliflozin Propanediol Monohydrate	Anti-Diabetic	Commercial
Delafloxacin Meglumine	Anti-Bacterial	Commercial
Empagliflozin	Anti-Diabetic	Commercial
Fimasartan Trihydrate Potassium	Anti-Hypertensive	Commercial
Gliclazide	Anti-Diabetic	Commercial
Imeglimin	Anti-Diabetic	Commercial
Levosulpiride	Anti-Psychotic	Commercial
Linagliptin	Anti-Diabetic	Commercial
Luliconazole	Anti-Fungal	Commercial
Mirabegron	Urologicals	Commercial
Nor Ursodeoxycholic acid	Liver	Commercial
Obeticholic Acid	Liver	Commercial
Oxaceprol	Anti-Inflammatory	Commercial
Phenylephrine Hydrochloride	Decongestant	Commercial
Prucalopride Succinate	Prokinetic Agent	Commercial
Rifaximin	Anti-Bacterial	Commercial
Rivaroxaban	Anti-Coagulant	Commercial
Sacubitril Sodium	Anti-Hypertensive	Commercial
Sacubitril Valsartan	Anti-Hypertensive	Commercial
Sitagliptin Phosphate Monohydrate	Anti-Diabetic	Commercial
Teneligliptin Hydrobromide Hydrate	Anti-Diabetic	Commercial
Ticagrelor	Anti Coagulant	Commercial
Ursodeoxycholic acid	Liver	Commercial
Vildagliptin	Anti-Diabetic	Commercial
Vortioxetine Hydrobromide	Anti-Depressant	Commercial

## Under Development

Product Name	Therapeutic Category	Status
Avatrombopag Maleate	Thrombopoietic Agent	Under Development
Brexiprazole	Anti-depressant	Under Development
Cariprazine Hydrochloride	Anti-Psychotic	Under Development
Delafloxacin Meglumine Lyophilized	Anti Bacterial	Under Development
Elafibrinor	Liver	Under Development
Elobixibat	Prokinetic Agent	Under Development
Eltrombopag Olamine	Thrombopoietic Agent	Under Development
Isotretinoin	Anti-Acne	Under Development
Lisdexamfetamine dimesylate	Central Stimulant	Under Development
Resmetirom	Liver	Under Development
Tegoprazan	Gastrointestinal Agent	Under Development
Trifarotene	Anti-Acne	Under Development
Upadacitinib	JAK Inhibitor	Under Development
Vonoprazan	Gastrointestinal Agent	Under Development
