

A photograph of a male scientist in a white lab coat, wearing a hairnet, safety glasses, and a blue surgical mask. He is in the process of putting on white nitrile gloves. The background shows a laboratory setting with stainless steel equipment and glassware.

# Your Trusted Supply Partner

for Pharmaceutical, Food,  
and Chemical Industries

Quality. Reliability. Expertise.

[www.alchimica.eu](http://www.alchimica.eu)

A family-owned business dedicated to supplying across diverse sectors since 1996

# Delivering Top-Quality Products and Customized Services

Alchimica supplies ingredients, raw materials, and tailored solutions across diverse industries. Our expertise in pharmaceutical, nutraceutical, and chemical sectors, along with other fields, ensures we deliver high-quality products and expert support.

## Distribution & Trade

- Reliable supply of a wide range of raw materials and ingredients
- Flexible order quantities, from small to bulk
- Strategic warehousing and efficient logistics

## Sourcing Services

- Global network of verified suppliers
- Access to commodities, special and rare substances
- Utilizing INDIS Group for global sourcing

## Value-Added Solutions

- Proprietary brands engineered to excel in specific industries
- Convenient online purchasing through our platform
- Sourcing & custom synthesis for unusual molecular demands

Founder & CEO

## The Vision Behind Alchimica

Founded nearly 30 years ago, Alchimica has become synonymous with quality and reliability in the industry. Rooted in family values and guided by extensive industry knowledge, the company has grown as a family-driven business where integrity and excellence are at the core.

Over time, Alchimica has developed a dedicated team, fostering a culture of continuous learning and innovation. This strong foundation ensures Alchimica remains a trusted partner, delivering top-quality ingredients and services with a focus on long-term relationships.

# Driving Excellence Across Industries

For industry-specific brochures scan QR code

ALCHIMICA delivers high-quality substances, raw materials and specialized ingredients, empowering innovation and reliability in key sectors.

## Pharmaceuticals

Premium APIs, excipients, specialized substances for drug development, and production materials

## Food & Nutraceuticals

Trusted ingredients for dietary supplements, functional foods, and nutraceutical applications

## Cosmetics

High-quality active compounds and natural extracts for diverse cosmetic applications and skincare products

## General Industry

Comprehensive range of raw materials supporting glass, ceramics, catalysts, fertilizers, and other industries

## Chemical Synthesis

Substances and raw materials for industrial production, small-scale synthesis, and specialized chemical applications

## Chemical Sourcing

Specialized sourcing of hard-to-find and unusual molecules for diverse applications and advanced research needs

## Our Proprietary Brands

We go beyond the ordinary, relentlessly pursuing the highest quality in everything we deliver. Our portfolio of proprietary product and service brands showcases our dedication to crafting superior offerings that address real market needs.

### Purelium

[www.purelium.com](http://www.purelium.com)

Premium ingredients and technology solutions for nutraceutical and pharmaceutical production

#### Purelium Ingredients:

Prime nutraceutical ingredients

- **Purelium Manno**  
The finest D-mannose
- **Purelium Chondro**  
Premium chondroitin sulfate

**Purelium Pearls:** Next-gen technology for ingredient processing

### Alchacet

[www.alchacet.com](http://www.alchacet.com)

High-quality inorganic acetates for diverse applications, from industrial to pharmaceutical use

**Alchacet K Plus:** Potassium Acetate (high purity grade)

**Alchacet K:** Potassium Acetate (industrial grade)

**Alchacet NA:** Sodium Acetate Trihydrate (industrial grade)

**Alchacet NH:** Ammonium Acetate (industrial grade)

### REAGENTIA

[www.reagentia.eu](http://www.reagentia.eu)

Streamlining research and industry with convenient online access to an extensive and diverse chemical library

At ALCHIMICA, we are passionate about driving scientific progress and industrial breakthroughs. Our online platform [www.reagentia.eu](http://www.reagentia.eu) offers an extensive chemical library to meet all your needs, from small-scale research to large industrial orders, with quality and efficiency at the forefront.

# Partnering for Success: Your Strategic Alliance with Alchimica

At ALCHIMICA, we create value through strategic partnerships. By aligning our expertise with your goals, we empower your success in an ever-evolving industry landscape.

## Quality Assurance Excellence

- Rigorous testing protocols
- Full traceability of materials
- Compliance with international standards

## Innovation Support

- Cutting-edge substances and tech access
- Collaboration on new product development
- Market trend insights and analysis

## Supply Chain Optimization

- Streamlined processes reducing lead times
- Cost-effective sourcing strategies
- Diversified supplier base for risk reduction

## Operational Efficiency

- Flexible ordering and delivery systems
- Inventory management solutions
- Digital tools for easy procurement

## Our Commitment

Reliability and innovation drive us. We deliver quality, adapt to your needs, and stay ahead of trends. Sustainable practices, clear communication, and ethical standards are our foundation.

**30** Nearly 30 Years  
of Excellence

**500+** Customers  
Worldwide

**30** Trusted Partner in  
Over 30 Countries

## Start Your Journey with Alchimica

Let's discuss how we can tailor our expertise to your unique requirements and drive your success.
