*Accelerating access to innovation*

# About Us

Causeway International is a leading provider of pharmaceutical solutions, utilizing a comprehensive and strategic approach to manage our global network of partners. With over four decades of experience in the industry, we have been dedicated to advancing the development of innovative drugs to combat various diseases.

We pride ourselves on being pioneers in the field and continuously strive to bridge the gap between research and availability. Our performance speaks to our ability to deliver high-quality products at competitive prices, while adhering to industry regulations and intellectual property standards. We are committed to providing value-driven, cost-effective healthcare solutions.

# Our Vision, Mission and Quality Policy

## Vision

To improve healthcare outcomes by delivering personalized solutions tailored to meet the unique needs of our clients.

## Mission

To actively contribute to the product development process, from inception to commercialization, through the implementation of innovative strategies and the provision of unparalleled service quality.

## Quality Policy

Consistently deliver products that meet international standards. We leverage our expertise, state-of-the-art technology, and adherence to core values of integrity, fairness, individual respect, and transparency in all of our services to achieve this.

# History

Causeway International has been dedicated to serving the pharmaceutical industry since 1979. With its corporate headquarters in Karachi and branch offices in Lahore, Islamabad, and Peshawar, we have a comprehensive presence in the region. We provide marketing, sales, and logistics services to our global partners.

We are a leading agency serving international pharmaceutical manufacturers, and we play a vital role as a link between them and finished drug manufacturers. Our partners possess FDA/EDQM/TGA/MHRA-approved manufacturing facilities and adhere to cGMP guidelines.

# Global Partners

We offer integrated marketing, regulatory, and pharmacovigilance services to global pharmaceutical partners as a leading front-end solutions provider. We aim is to assist our partners in establishing a presence in their chosen markets.

We work closely with our global partners, providing unique solutions and introducing groundbreaking molecules across various therapeutic areas. We regularly assess and onboard new partners to ensure that we offer the most advanced and effective solutions.

By providing superior service to our partners, we gain early access to and influence the development of new products and offerings, establishing a competitive advantage. Our passionate and diverse team of business professionals has contributed to the success of various businesses across the pharmaceutical sector.

At, Causeway International we build strong and sustainable relationships with partners through transparency and values-driven culture. We incorporate innovative ideas into operations, creating an optimal environment for partners to achieve goals and personal growth. Our business philosophy emphasizes integrity, positive results, accountability, and a long-term approach.

We specialize in the development and production of cutting-edge and unique pharmaceutical products, recognized for our strategic partnerships with multinational and national pharmaceutical formulators. Our competitive advantage lies in our in-depth market insights, specialized technical knowledge, extensive industry experience, and ongoing commitment to employee professional development.

# Products
