

LABORATORIES PVT. LTD.

Formulating a healthy future

Advantages of DC Granules	Our DC Granules	API
 Elimination on sourcing and processing steps	✓	✗
 In process testing eliminated	✓	✗
 Reduction in excipient load	✓	✗
 OPEX cost reduction	✓	✗
 Better dissolution profile	✓	✗
 Reduction in quantity of Raw materials	✓	✗
 Cost efficient	✓	✗
 Elimination of Organic volatile impurities	✓	✗
 Safe from external chemical changes in drug properties	✓	✗
 Safe from denaturation of heat sensitive molecules	✓	✗
 Simplified validation processes	✓	✗
 Accelerated production timeline	✓	✗
 Freeing up existing capacities	✓	✗
 Negligible batch to batch variation	✓	✗
 Improved flowability	✓	✗
 Elimination of dust generation	✓	✗
