

Plumping Eye Contour • cream with toning, smoothing and nourishing action for the eye contour skin.

Purifying Face Serum • with a protective, sebum-regulating and detoxifying effect, ideal for skins stressed by make-up, aggressive treatments and pollution.

Brightening Day Cream • moisturizing and toning cream for face and neck skin.

Protect Serum • illuminating fluid with SPF 50 sunscreen, which moisturizes protecting the skin and making it softer and more elastic.

Firming Body Cream • with elasticizing action, it keeps the skin hydrated, supple and velvety. Effective in the treatment of particularly stressed areas (abdomen, hips, thighs and breasts). Adjuvant in the prevention of stretch marks and sagging skin.

Smoothing Night Cream • smoothing and nourishing cream for face and neck skin.

Eye contour with Caffeine and Hyaluronic Acid • smoothing and nourishing cream, particularly useful for addressing puffiness and dark circles. Thanks to the presence of caffeine and hyaluronic acid, it provides intense toning, draining, and moisturizing action on the eye contour area, giving the skin a more uniform and smooth appearance.

Plumping Face Serum Lifting effect • useful for filling in wrinkles and tightening the skin. Thanks to the presence of Vitamin E, it has an antioxidant, moisturizing and toning action, making it a useful ally to prevent the signs of aging.

Hydrating Day Cream with SPF 30 • moisturizing and firming cream for the skin of the face and neck. Thanks to the presence of UV filters, it helps protect the skin from sunlight.

Biphasic Body Hydrating • thanks to its formulation, nourishes and refreshes the skin, leaving it fresh and light. Ideal for those in need of a moisturizing and soothing product, without greasiness or heaviness.

Antioxidant Make-up Remover Face Balm • cleansing and antioxidant product, useful for removing all traces of makeup, including water proof.

Refreshing Face Mousse • moisturizing and refreshing cleansing mousse, ideal for removing makeup residue, impurities, and pollutant particles from the face.

Exfoliating Facial Tonic • exfoliating and regenerating lotion, ideal for making the skin smoother and firmer. It exfoliates, smoothes and fights dilated pores, making the complexion even and compact.
