Laborate Pharmaceuticals (India) Ltd. stands as a distinguished pharmaceutical manufacturer, boasting an impressive legacy of over 38 years. Throughout our journey, we have meticulously cultivated a reputation as a trusted and renowned name within the pharmaceutical sector, not only in India but also on the global stage. Our unwavering commitment to producing high-quality pharmaceutical products has propelled us to the forefront of the healthcare industry.

Vision: Our vision is to emerge as a leading pharmaceutical company in India while making a significant impact on the global stage. We aim to achieve this by consistently delivering high-quality, affordable, and innovative solutions in medicine and treatment.

Mission: Our mission is rooted in discovery, development, and the successful marketing of pharmaceutical products designed to prevent, diagnose, alleviate, and cure diseases. To fulfill our mission, we are dedicated to providing total customer satisfaction and attaining leadership positions in chosen markets, products, and services worldwide. This pursuit is underpinned by excellence in technology, driven by world-class research and development.

Key Highlights:

- **Manufacturing Excellence:** Our operations are underpinned by five state-of-the-art manufacturing facilities spread across India. These facilities adhere to rigorous quality standards and hold accreditation from various international regulatory bodies.
- **Global Reach:** Our pharmaceutical products find their way to nearly 55 countries worldwide, making a positive impact on healthcare systems on a global scale.
- **Accreditations:** Laborate Pharmaceuticals holds numerous accreditations from prestigious organizations, including WHO GMP, NAFDAC (Nigeria), MOH (Iraq), MOH (Cambodia), PPB (Kenya), NDA (Uganda) and many more. These accreditations underscore our unwavering commitment to uncompromising quality.
- **Upcoming Accreditations:** We are currently undergoing accreditation processes for several significant certifications, including but not limited to EUGMP, WHO Prequalification, UKMHRA, Brazil ANVISA, and several others.
- **Dedicated Team:** Our workforce comprises over 5000 highly qualified professionals across diverse fields, including R&D, Manufacturing, Quality Testing, Finance, Marketing, and Sales. This team forms the backbone of our continuous growth and innovation.

Manufacturing Facilities:

1. **Plant-I (Panipat, Haryana, India):** Our WHO-GMP Certified manufacturing facility in Panipat specializes in Small Volume Parenteral, Ophthalmic Preparations, Tablets, Capsules, and External Preparations.
2. **Plant-II (Paonta Sahib, Himachal Pradesh, India):** Established in 2004, this GMP Certified manufacturing unit in Paonta Sahib handles Small Volume Parenteral, Ophthalmic Preparations, Tablets, Capsules, Dry Syrup, and External Preparations, catering to both domestic and overseas markets.
3. **Plant-III (Paonta Sahib, Himachal Pradesh, India):** Our largest pharmaceutical manufacturing unit, founded in 2010, adheres to USFDA & European GMP Standards. It produces a wide range of pharmaceutical products, including Oral Solid Dosage forms, injectables, Ophthalmic Preparations, External applications, Oral Liquid, and Dry syrups.
4. **Plant-IV (Paonta Sahib, Himachal Pradesh, India):** Our newest facility, established in 2023, features cutting-edge technology in compliance with USFDA & European GMP Standards. It boasts separate manufacturing blocks for OSD (Tablet & Capsule) and Sterile Products (Ampoule/Vial and Ophthalmic) of the general category. This facility boasts a daily capacity of 20 million tablets, 10 million capsules, and 1.6 million SVP (Sterile Products). Here we are going through approvals like: EUGMP, WHO Prequalification, UKMHRA, Brazil ANVISA, and several others
5. **Plant-V (Salwan, Haryana, India):** Established in 2023, has been strategically positioned to address the growing demand for Ayurvedic products and the burgeoning personal care sector. Our state-of-the-art manufacturing facility is dedicated to producing a wide range of Ayurvedic and personal care products, in response to these evolving market needs.

At Laborate Pharmaceuticals, we are unwavering in our dedication to serving the healthcare industry with the highest standards of quality, integrity, and innovation. Our mission is to elevate the quality of life for individuals across the globe by providing them with safe and effective pharmaceutical solutions.
