

# Active Pharmaceutical Ingredients – APIs

Antimicrobials, Antifungals, Antiseptics,  
Biocides, Disinfectants, Germicides

All our products are manufactured at our cGMP approved sites, as per current Pharmacopeia's and with complete DMF's

Acriflavine Hydrochloride/Neutral  
Benzalkonium Bromide  
Benzalkonium Chloride  
Benzethonium Chloride

Benzocaine  
Benzoyl Peroxide  
Benzyl Benzoate

Cetalkonium Chloride  
Cetrimide  
Cetrimonium Bromide  
Cetylpyridinium Chloride

Chlorhexidine Base  
Chlorhexidine (di) Acetate  
Chlorhexidine (di) Gluconate Solution  
Chlorhexidine (di) Hydrochloride

Chloroxylenol  
Chlorphenesin  
Chlorphenesin Carbamate  
Climbazole  
Clotrimazole

Dequalinium Chloride  
Glycine  
Guaifenesin (Powder/DC Granules)

Gamma Benzene Hexachloride  
Gentian Violet (Crystal Violet)  
Giemsa Stain

Hexitidine  
Ketoconazole  
Lidocaine Base/Hydrochloride

Mecetronium Ethylsulfate  
Mephenesin (Powder/DC Granules)  
Metformin DC Granules  
Methylene Blue  
Miconazole Base/Nitrate

Miripirium Chloride  
Octenidine (di) Hydrochloride  
Ortho Phthalaldehyde, OPA

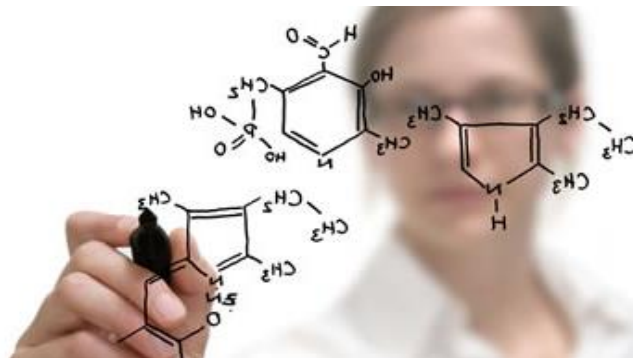

Phenothiazine  
Polyhexamethylene Biguanide, PHMB  
Potassium Iodide/Iodate  
Povidone Iodine

Sodium Iodide/Iodate  
Tolnaftate  
Undecylenic Acid  
Zinc Oxide  
Zinc Undecylenate

# Active Pharmaceutical Ingredients – APIs

Products under Research and  
Development at our lab in 2024

Products to be brought to commercial production in 2024 and 2025,  
with complete regulatory dossiers

Alexidine

Benzadamine Hydrochloride

Benzoxonium Chloride

Bifonazole

Caffeine

Carbamide Peroxide

Crotamiton

Dibucaine HCl

Eberconazole Nitrate

Econazole Nitrate

Feticonazole Nitrate

Hexamidine

Iodic Acid

Nicotinamide

Nicotine

Olanexidine Gluconate

Orotic Acid

Picaridin

Prilocaine

Tetracaine

Tipepidine Hibenzate
