

THE 10 BENEFITS OF A DIGITAL QMS

This short guide will give you 10 reasons why
BizzMine is the answer to your solid eQMS.

1

CLOUD OR ON-PREMISES

BizzMine is available in the cloud or on-premises. Choose for maximum comfort and security.

2

GET STARTED FAST

Implement your digital QMS in a couple of days with the prebuilt validated processes.

3

CUSTOMIZE EASILY

Configure existing or new processes, without any need for coding. One no-code platform for all types of quality processes.

4

UNITE PROCESSES

Have full control and overview of your QMS in a complete set of quality processes that correlate and interact with each other.

5

SCALE YOUR SYSTEM

Flexible platform for organizations with 2 to 5,000 users and more. Scale from a small business to a large one, spread over multiple sites.

6

GET CLEAR INSIGHTS

Life analytics on rich visual dashboards project all data collected in your quality management system.

7

WORK ON ALL DEVICES

All users have easy access, wherever they work. BizzMine is available on all screens.

8

GO FOR WORKFLOW

Automatic mechanisms make your work easier and faster done. The workflow behind the process provides the real value.

9

TRUST OUR TECH STACK

The software is built on a very modern and future-proof application architecture.

10

STAY COMPLIANT

Software for quality management ensures compliance to the specific requirements of your industry.
