

The food supplement "NeuralMaX" offers an optimal blend of astaxanthin, minerals and vitamins like pantothenic acid, which support mental performance across all ages. Ingredients like vitamins B1, B2, B3, B6, B12 and minerals like calcium as well as magnesium promote nervous system function, support energy metabolism and reduce fatigue. Astaxanthin, sourced from the microalgae *Haematococcus pluvialis*, is a potent antioxidant that crosses the blood-brain barrier, aiding in mental fatigue recovery and enhancing cognitive function.

Product information of product sample NeuralMaX
