

HIRE IQ

HIRING MANAGER

TRAINING

Increase your hiring managers' confidence in hiring decisions and improve your quality of hire and retention.

HireIQ equips hiring managers with the skill and knowledge to attract, select, and retain top talent. This course focuses on enhancing their ability to make better, fairer decisions while authentically representing your brand.

Developed in partnership with global TA and HR leaders, we've distilled our recruitment expertise into a comprehensive e-learning program covering every aspect of the recruitment process, from sourcing to onboarding.

- ✓ Self-paced learning, scalable for your team
- ✓ Options to customise with your processes
- ✓ Available in over 50+ languages

The Strategic Role of the Hiring Manager

Understand the stages of the hiring process and the role of the manager in moving progress forward.

Sourcing & Employer Branding
