Distribution Fine Chemicals

A leading fine chemicals distributor

Create value for partners:

- Reliable channels
- Technical support
- Safety guarantee
- Quality control
- Financial service

Industry bandwidth:

- Pharmaceuticals
- Pesticides
- Polyurethane
- Coating
- Electronics
- Surfactants
- Adhesives

Basic Chemicals Key Partners

Distribution

Japan Branch

Export Japanese fine chemicals to
China and Southeast Asian countries

- Technical exchanges
- Import-export agency
- Consulting service supporting
chemical projects

Distribute **40,000** MTs of Chinese
chemicals to Japan annually

Manufacture APIs and Intermediates

R&D and manufacturing of APIs and intermediates

- Designed and built to meet GMP guidelines
- Key products: Pyrazole, sitagliptin intermediate
- Export to European and Southeast Asia
- Undertake customized projects, featured reactions: diazo, coupling, grignard, alkylation
- China high-tech enterprise
- HSE Advanced verified by Bayer

Dachen Pharma

\$62m
Annual Sales

Key Partners

Manufacture Pesticide Intermediates and Preparations

Taizhou Factory

- Leading manufacturer of Methyl Bromide in China
- U.N. chartered production certificate
- Key products: **Methyl Bromide**, fumigation for entry-exit inspection; intermediate of pharmaceuticals and pesticides
- Intermediates: Trimethylsulfoxonium Bromide, Trimethylsulfonium Bromide
- Featured reaction: bromination
- One-stop service, including training of SOP, ODS system, Safety Requirements of Bromine

\$25.4m
Annual Sales

Manufacture

Veterinary Preparations

Ningbo Factory

- Key products: Fish medicines for salmon to improve animal health in aquaculture; primary supplier to the EU and South America markets. AMP (fly killer) in cattle farming; export to EU & Southeast Asia
- Space of **21,000** sqm
- National GMP and EU GMP

\$3.4m

Annual Sales

Corporate Culture

- **Mission** Link Resources to Needs
 Link the World Together
- **Vision** Global Chemical Supplier
 Delivering Excellence
- **Values** Integrity & Honesty
 Respect & Equality
 Freedom & Democracy
