Medical Device

INNER SU is...

Product	Inner SU Vaginal Cleanser (Inner水)
Description	<p>Vaginal 'Moist' Cleanser</p> <ul style="list-style-type: none"> • Easy to carry with disposable packaging • Water-soluble cleansing gel for using without water • Vaginal cleansing / Sub-acidic (pH 4.0~5.0) / Maintaining a wet state / Self-purification
Classification	Medical device class II approved in Korea (MFDS)
Ingredients	Hyaluronic acid, Lactic acid
Form	Hygienic disposable pre-filled applicator
How to Use	Apply to vagina to Supply cleaning solution
Packing Unit	2 pieces, 8 pieces

Certificate

Inner Su is good for

Vaginal cleaning

Cleansing gel combines with residual blood and secretions attached to the vaginal wall and discharged from vagina

Keeping pH balance

Contains lactic acid to keep the vagina sub-acid (pH 4.0~ 5.0)

Maintaining a wet state

Preserves moisture inside the vagina and reduces evaporation of moisture supplied from the outside

Self-purification

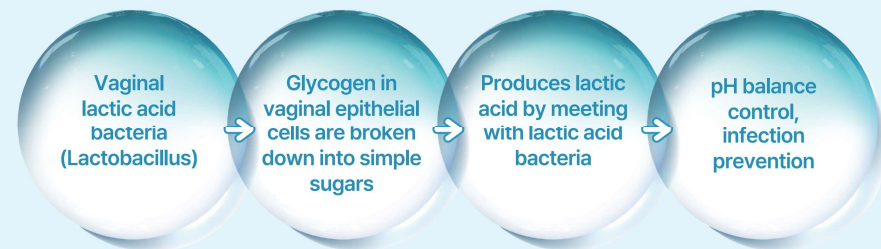

It helps the woman's body recover from self-purification

Feel healthier and refresh with
INNER SU

By directly applying cleansing gel of pH 4.2~4.8 to vagina

pH Balancing Process

Normal vaginal pH
