

Your End-to-End Solution
for Brand Enhancement

MADE IN INDIA

World's First and only 3D 100% Foolproof Anticounterfeiting Technology

TRUST IN EVERY LABEL

UNLOCK THE FUTURE OF BRAND PROTECTION WITH CHECKO

Per Label Uniqueness

Each label is as unique
as a human fingerprint

Proprietary Ink

Quick visual authentication
with our proprietary inks.

World-Class Security

Our cryptography is benchmarked
with NIST & NSA standards.

Track and Trace

Ensures real-time supply chain
visibility and accountability

Universal Scanning

Works on Android, iOS, and
even low-end smartphones

Cost-Effective

Pay a fraction of the cost
compared to RFID/NFC solutions

What Makes a Checko Label 100% Copy-Proof?

Behind the Technology

Checko labels feature a patented intertwining of
randomly generated 3D features and 2D codes,
making them physically unclonable.

Authentication with Ease

Our smartphone app employs advanced image
processing and AI modules to automatically
detect the 3D nature of the label, eliminating 2D
photocopies as forgeries.
