Corporate Overview

Leading manufacturer of Pharmaceutical Dispensing Solutions

A global player in pMDIs & nasal drug delivery systems, **RxPack** is a **50:50 JV between Lindal and Coster**, who have merged their pharmaceutical businesses setting up a 100% dedicated new pharma company.

Specialized in the development and manufacture of **Primary Packaging Devices** for the pharmaceutical and generic industries, **RxPack** is the result of the **long-term vision of family-owned entrepreneurship**, bringing **60-years' expertise** in the Aerosol & Spray Dispensing platforms.

Mission & Vision

Innovation, quality, sustainability and patient focus

MISSION

Be the **reference partner** in providing **Quality** and **Cost effective, Environmental** and **Patient Friendly** Solutions.

VISION

RxPack is the **reliable & innovative partner** in Propelled and Nebulized Drug Delivery Devices for the **benefit of patients** and **partners**.
