THE STABILITY LABORATORY is a pioneering force in the realm of pharmaceutical and cosmetics laboratory outsourcing services. Since our establishment in 2014 as the first analytical outsourcing laboratory in Saudi Arabia approved by the Saudi FDA, we have consistently led the industry in providing exceptional technical testing expertise and capabilities.

We don't just offer services – we forge strategic partnerships for success. Our renowned expertise ensures that clients experience unparalleled performance, quality, and productivity benefits. As a leading provider of chemical, analytical, and microbiological tests, we are dedicated to empowering our clients with the highest standards of quality and compliance, driving businesses to new heights.

Dr. Ahmad Khalaf, PHD

WELCOME MESSAGE

Founder | CEO

Dear Valued Partners,

As we embark on a journey marked by our steadfast dedication to excellence and innovation, I am thrilled to reach out to you. At The Stability Laboratory, we believe in the transformative power of dedication, precision, and forwardthinking solutions.

Our mission is not just to meet industry standards, but to set new benchmarks in pharmaceutical and cosmetic analysis. We are driven by a passion for ensuring the safety and efficacy of consumer products, and it is with great pride that we offer our expertise and services to our esteemed partners.

We are dedicated to being your trusted partner in achieving unparalleled success in the pharmaceutical and cosmetic industries.

Thank you for choosing The Stability Laboratory as your trusted analytical lab.

VISION & MISSION

Vision

To be the foremost choice for pharmaceutical and cosmetic companies in Saudi Arabia and beyond. We aspire to be recognized as an industry leader in analytical services, renowned for our unwavering commitment to quality, precision, and innovation. We aim to continuously expand our capabilities, stay at the forefront of technological advancements, and foster enduring partnerships that drive excellence in the pharmaceutical and cosmetic sectors.

Mission

To set the highest standards in pharmaceutical and cosmetic analysis. We are committed to ensuring the safety and efficacy of these products for the well-being of consumers. Our laboratory is dedicated to providing accurate, reliable, and timely testing and consulting services to support the pharmaceutical and cosmetic industries. We strive to be a trusted partner for businesses seeking excellence in product quality and regulatory compliance.

WHY THE STABILITY LABORATORY?

UNPARALLELED EXPERTISE

We bring exceptional technical testing expertise and capabilities to the table.

COMMITMENT TO EXCELLENCE

Our dedication to excellence ensures fast and deliberate results, allowing clients to experience exceptional performance, quality, and productivity benefits.

INDUSTRY LEADERSHIP

By partnering with THE STABILITY LABORATORY, you align with a trailblazing provider of chemical, analytical, and microbiological tests, offering convenient sample pickup services.

QUALITY AND COMPLIANCE

We are dedicated to empowering our clients with the highest standards of quality and compliance, driving businesses to new heights.

THE STABILITY LABORATORY provides a comprehensive range of services for pharmaceutical products to ensure quality, safety, efficacy, and regulatory compliance.

Analytical support for formulation

Cosmetics research and development solution

The Stability Laboratory offers an extensive arrangement of academic and training program modules designed specifically for pharmacist, chemist, and microbiologist students. These programs are meticulously crafted to provide comprehensive and hands-on education, equipping students with the necessary skills and knowledge to excel in their respective fields. Whether it's understanding pharmaceutical analysis, honing chemical testing proficiency, or mastering microbiological techniques, our tailored programs aim to empower the next generation of industry professionals with practical, real-world expertise.
