# CEO Statement

**Riyadh, Saudi Arabia** – CCP Logistics, a leader in the logistics industry, is thrilled to announce a significant milestone in its journey. As we celebrate our **10-year anniversary**, we unveil a refreshed brand identity and a new growth strategy, marking a new era for our company.

Effective from 15<sup>th</sup> June 2024, Cold Chain Packing and Logistics rebranded as **CCP Logistics**. This change reflects our evolution over the past decade and our commitment to expanding our services and capabilities to better represent our expanded services and our dedication to delivering outstanding value to our clients.

We truly feel blessed, and immensely proud to reach this 10-year milestone. Our new logo to CCP Logistics is not a change in name but a reflection of our commitment to innovation and excellence in the logistics sector.

Our identity symbolises our growth, innovation, and the streamlined efficiency that our clients have come to rely on. The new branding represents our core values and our vision for the future, aligning with our strategy to enhance our service offerings and broaden our market reach.

Our focus is on making sure we protect your cargo during each **Critical Control Point** within your supply chain handling from door to door, implementing robust solutions by mitigating risks using our unique lane risk assessment technology.

As we move forward, CCP Logistics digitally connects the world and lead the cargo industry for time and temperature sensitive critical cargo – digitalising your air, sea and road movements around the world.

We will continue to build on our strong foundation, fostering innovation and excellence in all areas of our business.

**We are excited about the future and look forward to serving our clients with the same dedication and professionalism that has been our hallmark for the past decade.**

# Air Freight

## Facilitating swift air transportation when time and speed matter most

Our service encompasses various activities such, special packaging, handling, transportation, customs clearance, and documentation support. An overview of CCP Logistics air freight services:

**WE OFFER A HOLISTIC APPROACH TO YOUR SUPPLY CHAIN REQUIREMENTS, MANAGING, AND COORDINATING SOLUTIONS FOR EFFICIENT LOGISTICS.**

### Customized Solutions

Global reach and local knowledge ensures reliable, customized air freight services for all commodities or industry verticals.

### Air Import

We efficiently manage the import of goods by air. This includes coordinating with international suppliers, offering value added services for packing or relabeling handling customs procedures, and ensuring timely delivery to the recipient.

### Air Export

For outbound shipments, CCP Logistics facilitates the export process. We handle documentation, cargo booking, and compliance with export regulations, ensuring smooth movement of goods to its final destination.

- + CCP Logistics offers reliable airfreight services worldwide. Our team of experts ensure tailored solutions for your business challenges.
- + Comprehensive range of services, including economy, express NFO, or product defined bookings such as special Temperature or DG Cargo handling.
- + Urgent or High-Value Goods: Reliable delivery for urgent or valuable shipments.
- + Door-to-Door Logistics: providing seamless movement from sender to recipient.

# Sea Freight

## Managing cargo movements via sea when cost matters and time is not an issue

Offering a range of activities, including import and export services, cargo booking, vessel scheduling, customs clearance, and delivery of goods to the final destination. Here's how it works:

### IMPORT & EXPORT SERVICES

- + Having the right resources by way of people, process and commercial strength allow us to accept any kind of shipments.
- + Booking cargo space and coordinating with shipping lines for efficient sea freight movement in both directions.
- + Preparing import and export documentation to ensure customs clearance and compliance with regulations at origin and destination ports.
- + Arranging inland transport to the departure port for exports and managing final delivery to warehouses or end-users for both imports and exports.

### CAPABILITIES

We are rightly equipped to handle all kind of sea shipments be it large, small, special or odd-size cargo.

- + *Containerized movement: FCL*
- + *Break Bulk / Dry & Liquid Bulk*
- + *Project and RO-RO*
- + *Temperature control and Hazardous cargo*

### VESSEL SCHEDULING SERVICES

We have contracts with top ocean carriers for global trade-lanes with space and equipment guarantee.

Our efficient planning ensures timely arrivals and departures

### CUSTOMS CLEARANCE

Compliance with import/export regulations, as well as managing requests for special permits for clearance purposes.

### FINAL DELIVERY

Our transportation service supports distribution to warehouses or end-users.

# Road Freight

CCP Logistics understands the critical role road freight plays in efficient domestic and international transportation. We offer a comprehensive suite of services to cater to all your needs, from small, local deliveries to large-scale, international shipments.

## DOMESTIC AND INTERNATIONAL COVERAGE:

### Domestic Road Freight

CCP Logistics offers seamless road freight transportation. Our services encompass full truckload (FTL) and less than truckload (LTL) options to ensure cost-effective and efficient delivery for all cargo sizes.

### Cross-country Trucking

We handle long-distance hauls within a country, ensuring your goods reach their destination swiftly and securely.

### International Cross-border Trucking

CCP Logistics facilitates international road freight transportation, navigating customs regulations and collaborating with trusted partners to deliver your cargo across borders efficiently.

## VEHICLE FLEET AND CARGO EXPERTISE:

- + All Vehicle Sizes and Types: We have a diverse fleet of vehicles to accommodate any cargo size or type. From vans and Dyna trucks for smaller shipments to trailers for larger volumes, we have the right vehicle for the job.
- + Specialized Handling: Transportation of oversized cargo, high-value goods, or temperature-controlled items CCP Logistics offers specialized vehicles and experienced personnel to ensure safe and secure transport for all your unique requirements.
- + All vehicles operate using our live tracking and automated POD service, with temperature-controlled vehicles having additional GDP compliant solutions included such as thermal mapping and live temperature monitoring.

# Quality Management

Behind all operations is a robust Quality Management System (QMS). At CCP Logistics and with our gold standard global partner network we offer just that:

- + A robust (QMS) that has been audited by all our clients, government and external industry consultants.
- + Our QMS includes but not limited to; Change Control, Complaint Management, Deviation Management (CAPA), Internal audits and adheres to Good Distribution Practices (GDP) set out by the World Health Organisation (WHO)

## CERTIFICATIONS AND ACCREDITATIONS

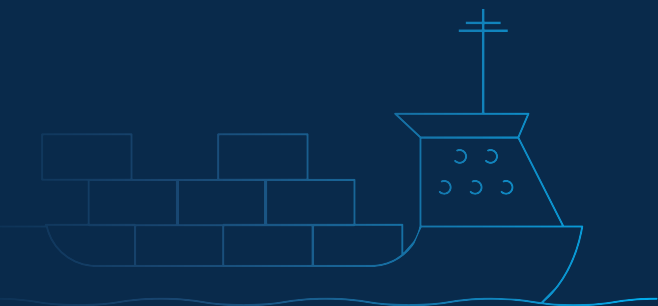

ISO 9001 is a globally standard for quality management

ISO 27001 is the world's best-known standard for information security management systems (ISMS)

Certified Compliance for Good Distribution Practice for Medicinal Products for Human Use

# CCP Logistics

Exceptional Quality. Consistent Accuracy.
