

**Mechmaark**

AN ISO 9001:2008 COMPANY

**MECHMAARK FILTECH INDIA PVT. LTD.**

## COMPANY PROFILE

### **ABOUT US**

Mechmaark was established in 2009 having its headquarters at Delhi. Our plant is located at Mundka, Delhi having in built area of more than 35000 sqft. Mechmaark started manufacturing all kinds of Industrial Air filters & SR Adhesives. Mechmaark has more than 110 employees, out of which more than 25 people have technical, quality control, design and manufacturing related skills. Mechmaark has been growing almost at the rate of 50% every year since last 3 years, we are ISO certified company.

Mechmaark is the largest number one Indian Filter manufacturing company. Products manufactured by us are of International standards with high performance rating and quality benchmarked for all International Industry standards.

### **MANUFACTURING CAPABILITIES**

Our manufacturing plant includes various imported machineries imported from countries like US, Italy & UK e.g. HEPA Mini Pleat machine (US make), PU machine (US make), Section cutting machine (Italy make), Clinching machine (Italy make).

We have world class testing facility for testing HEPA Filters .The Leak testing machine, DOP photometer, is of U.K make.

The raw material, the media, is also sourced from Germany, Italy & China. The media ranges from non-woven synthetic polyester fiber to micro glass fibre paper.

### **OUR PRODUCT RANGE**

We manufacture all kinds of Industrial Air filters, Adhesives, metallic filters, High temperature filters & OT/ Laminar airflow plenum. Our product range is as follows:

### **Industrial Air filters range:**

- Gel Seal Mini Pleat HEPA Filters
  - Pre filters
  - Bag filters
  - Fine filters
  - Carbon Filters
  - Hooded Mini Pleat HEPA
- Semi HEPA filters
  - HEPA Filters
  - Mini Pleat filters
  - Cardboard Filters

### **Other products:**

- Industrial adhesives
  - Metallic filters
  - High temperature filters
  - Perforated Grills
- OT/laminar airflow plenum
  - Knife Edge Terminals
  - HEPA Terminal

### **INDUSTRY/ APPLICATIONS**

We manufacture products for various Industrial applications, HVAC applications & Clean room applications. Filters are supplied to the following Industry/Applications:

- Pharmaceuticals
  - Healthcare Industry
  - Automobile industry
  - Commercial/Comfort applications
- Food Industry
  - Power Industry
  - Semi conductor
  - FMCG

### **OUR MARKET**

We market our products at all over India & we have six (4) offices all across the country at Delhi, Mumbai, Ahmedabad & Bangalore. Other than India we also export our product to nine (8) countries:

- Dubai
  - Bangladesh
  - Kenya
  - Nigeria
- Myanmar
  - Nepal
  - Bhutan
  - Uganda

### **OUR CREDENTIALS**

Within a very short span of time our products have been accepted by various reputed OEM /AHU manufacturers, and also products are approved by various leading consultants & contractors all across the country.

Other than above our clientele included various reputed clients in Pharma & other various Industries. Some of the OEM, leading consultants, OEM's & Hospitals clients are as follows:

### Some OEM/AHU manufacturers

- Flaktwood
  - Zeco
  - Edgetech
  - Waves
  - Citizen Industries
  - DJK Industries
  - Crystal
- System air
  - Euroclima
  - Ethos
  - Roots cooling
  - Advantek
  - JPC Air Handlers
  - Ravi Aircon

### Some leading consultants:

- IPS Mehtalia
  - Spectrum
  - Arnita
  - Glatt
  - Enersave
  - Mott MacDonald
  - Apex
  - DBHMS Consultants
  - Dibis Utility
  - Eskay Engineers
- Knexair
  - CGMP
  - Pharmadeep
  - Abid Hussain
  - Panacea
  - Adept
  - SMPS
  - MJ Consultants
  - Doyen Technologies

### Some Leading Pharmaceuticals:

- Torrent Pharma
  - Glenmark
  - Akums
  - Cipla Ltd
  - Mankind
  - Macleod Pharma
  - Ajanta Pharma
  - Intas Pharma
  - Emami
  - Par Formulation
- Sunpharma
  - Patanjali
  - Abbott
  - Reckit & Benkiser
  - Wockhardt
  - Strides Labs
  - Dr.Reddy's Lab
  - Jubilant
  - Microsynergy

### Some Leading Hospitals:

- AIIMS
  - Fortis Healthcare
  - Indian Spinal Injuries
  - Venkateshwar Hospital
  - Medanta Healthcare
  - RML Hospital
  - Eternal Healthcare
- Max Healthcare
  - Jaypee Hospital
  - Rockland Hospital
  - Rajiv Gandhi Cancer Institute
  - Artemis Healthcare
  - LNJP Hospital
  - Jaipur Golden Hospital

### **Some Leading HVAC & Cleanroom Contractors:**

- Avant Garde Cleanroom
  - Airtech Systems
  - GMP Technical
  - ATE Projects
  - Aircare Projects
  - Airmax Gujarat
  - Transtech HVAC
  - Airmistic Engineers
- Suvidha Engineers
  - HVAX Technologies
  - Lotus Airtech
  - Grenesys
  - Airmiracle
  - Skaiair Control
  - Blue Star
  - Air Ref Engineers

### **VISION**

Our vision is to become leaders in the field of Air Filtration by continuously growing @ 30-35% at least every year for the next 5 years. Our vision is also to add few more products in our product range. We will have our new plant operational at Rohad, Bahadurgarh (Haryana) having more than 65000 sqft area by end of March' 2020. We will have one more plant to be constructed & operational by May' 2020 at Hyderabad. We will be very soon a NABH & RDSO certified company.
